BOOK SYNOPSIS

Founded by the three Bender sisters, the Amish community of Promise Lodge is thriving--and growing. In fact, residents are thrilled to welcome a charismatic new arrival--one who may not just strengthen their faith, but put it to the test . . . When Christine Bender meets widowed Bishop Monroe Burkholder, its love at first sight. But Preacher Amos finds him too good to be true, and is determined to find out whats behind his sudden, unannounced arrival. Still, the colony needs a new bishop, and everyone is excited to have a younger, more progressive leader. As for Christine, Monroe returns her affection, but her bubble is soon burst with the arrival of a young woman half his age . . . Leola Duff claims Monroe "ruined" her and she now intends to make an honest man of him. But throughout the process of discovering the truth, Christine never doubts that Monroe is the fine man she believes him to be--and never wavers in her faith that all will work out as it should. And when Monroe is forced to confess the truth before the entire congregation, he can only pray that open hearts and minds will prevail, allowing him a future at Promise Lodge--with Christine . . . Praise for Promise Lodge "Hubbard firmly grounds the storyline in the principle of Amish grace." --Publishers Weekly "Hubbard writes of healing and brave new beginnings from a refreshingly feminist perspective." --Booklist (starred review)
